# Vyond

## Overview

In a world full of distractions, grabbing learners' attention is more important than ever. Vyond's **all-in-one, AI video creation** platform offers a dynamic solution to **elevate your eLearning content** and keep audiences engaged. Whether you're just starting out or already a seasoned video creator, our hands-on training will help you **take your videos to the next level** with ease and confidence.

This 1-day training is **packed with insider tips** and expert guidance to help you unlock Vyond's full creative potential. You'll learn how **to harness powerful AI features**, like text to video, and custom avatars, while discovering time-saving tricks that will **streamline your video production** process. By the end of the day, you'll have the skills to produce **visually stunning, engaging videos** that leave a lasting impact on your audience.

## Course Objectives

**Discover** hidden tips and tricks directly from Vyond experts to create compelling animated videos.

**Build** engaging scenes with built-in media including characters, audio, animations and graphics.

**Demonstrate** proficiency in using Vyond's features and tools, showcasing the ability to navigate the software efficiently and effectively.

# Training Agenda Overview

A one day course to create dynamic learning videos which will engage and inspire.

## Day One Module Content

- ✓ Introduction to Vyond
- ✓ Entering the Vyond Studio
- ✓ Character Design
- ✓ Mastering Camera Movements
- ✓ Creating Impactful Sound Design
- ✓ Storyboarding and Scripting
- ✓ Vyond AI Powered Features
- ✓ Using Vyond for Systems Training
- ✓ Advanced Tips and Techniques
- ✓ Creative Innovation Workshop
- ✓ Publishing and Next Steps
- ✓ **Bonus Module:**  
Using Vyond with Articulate 360

# Course Outline

## MODULE ONE

### Introduction to Vyond

Discover why Vyond is **ideal for educational content**, how to access the platform, and how to choose the best animation style for your needs.

- Discover ways to use Vyond for video learning
- Explore the different **Vyond styles** and when each is most effective for learning content
- Overview of the **Vyond Interface** and best practices for set-up

## MODULE TWO

### Entering the Vyond Studio

Explore the extensive **Asset Library**, offering a wide range of scenes, props, backgrounds, and more to enhance your projects.

- Navigate a vast collection of **scenes, props, and backgrounds**
- Discover expert tips for **branding** your videos from the start
- Identify how to unlock the creative power of Vyond Studio and use it **like a pro**

## MODULE THREE

### Character Design

Add personality to your characters with **customisable options**, dynamic movements, and realistic text-to-speech voiceovers.

- Unleash your creativity and have fun designing your own character
- Learn how to select clothing, skin tones, and hair types that **reflect your audience**, including company uniforms and cultural attire, to **promote authentic diversity**

# Course Outline

## MODULE FOUR

### Mastering Camera Movements

Master camera movement techniques to aid understanding, **enhance storytelling**, and direct the viewer's focus during a shot.

- Discuss and dissect exceptional **examples** to see how these movements are effectively achieved
- Learn how to use **pans, tilts, zooms**, and **tracking** shots to add perspective and energy to a scene

## MODULE FIVE

### Creating Impactful Sound Design

Elevate your animations with seamless **audio integration**, including sound effects and background music.

- Learn **text-to-speech** tips and lip-syncing techniques for natural character dialogue
- Add **sound effects** and **music** to enhance your scenes.
- Utilise **caption** options for accessibility and translations

## MODULE SIX

### Storyboarding and Scripting

Storyboarding and scripting organise the **creative vision**, ensuring clear scenes and smooth production.

- Explore what **storyboarding** is and how it applies specifically to video creation.
- Discuss **scripting** and **storyboarding** techniques, focusing on content, narrative structure, and visuals.

# Course Outline

## MODULE SEVEN

### Vyond AI-Powered Features

Experience the **power** of Vyond GO and its latest features, including **AI Avatar Videos**, to take your projects to the next level.

- Create **dynamic** AI Avatar videos for personalised content
- Utilise the newest Vyond GO features for **enhanced creativity**
- Streamline your workflow with **cutting-edge tools** and video creation technology

## MODULE EIGHT

### Using Vyond for Systems Training

Elevate your systems training tutorials and **unlock** the creative power of Vyond to make them more engaging.

- Get **inspired** to create interactive training modules for complex systems.
- Learn how to create screen recordings with Vyond and incorporate its elements to **transform** your systems training

## MODULE NINE

### Advanced Tips and Techniques

Allow your experienced trainer to share **advanced tips** and tricks for creating stunning and compelling Vyond videos.

- Practice advanced transitions and scene enhancement, **masking** and **spotlight** features.
- Blend Vyond animation styles to unlock **greater creative** potential.
- Inspirational tips for **branding your video** that go beyond just colours and fonts.

# Course Outline

## MODULE TEN

### Creative Innovation Workshop

Demonstrate your new skills in a hands-on **live review** session with your trainer, receiving real-time feedback and guidance.

- Further apply your learning by **creating a video** in real-time, using everything you've learned.
- Present **your creation** to the trainer and your cohort peers.
- Receive **personalised** feedback and guidance

## MODULE ELEVEN

### Publishing and Next Steps

Explore publishing options and best practices for **quality** and file sizes, export GIFs, and continue learning after training.

- Create and export GIFs to **enhance** your content
- Export and **share your video** projects with ease
- Explore **new Vyond features** to boost creativity and learn how to stay updated after training.

## MODULE TWELVE

### Using Vyond with Articulate 360

Stay after the session for a **bonus, optional module** with your Trainer, who will guide you on combining Articulate 360 and Vyond.

- Explore ways to **elevate your Rise 360** courses with Vyond assets
- Explore a Storyline 360 build to learn how to import your Vyond videos and **create interactive content** using Storyline features.
- Enjoy an **example showcase**

# Prerequisites and format

Training sessions have been designed for Professional License holders of varying skill levels. All participants should possess basic computer skills and familiarity with common user interfaces.

Vyond is compatible with Chrome, Edge and Mozilla. If using a Mac, please note that Safari is not a compatible browser with Vyond, therefore please download/install an appropriate browser alternative

## Course format and dates

**Format and delivery:** 1-day instructor-led, Virtual and In-Person sessions available.

**Course Dates:** Check our website for the latest dates [Vyond Training Dates](#)

## All attendees will need:

A version of **Vyond** installed and ready to use.

Check your system requirements on the link: [System Requirements](#)

Training was great, started from the basics and worked up. I like that you will be sending out more how to's after today's session through email.

Great trainer and training sessions were good. I really like the way the trainer teaches, demos and then we try.

**Catriona Hill**

Digital L&D Executive, Share

A really great look at the **theory** behind Instructional Design and eLearning creation. I learned lots of new things, **tips and tricks**, and had existing knowledge confirmed which was great.

Would **definitely recommend** to anyone who places themselves in the eLearning arena. Amazing trainer. Knowledgeable, perfect pace, **wonderfully structured** course. Lots of new **resources and tools** to use in future training. Thank you.

**Matt McCabe**

Instructional Designer, WD40

# Expertise and Credentials

## Your Trainers

The UKs only **certified Vyond Trainers**.

Your trainers collectively have over 40 years of L&D experience including backgrounds in **Media and Graphic Design**. They work closely with the **Product teams** at Vyond to stay up to date with all the exciting and latest Vyond Releases.

Your trainers are also the UK's only **Certified Articulate Trainers** and love sharing with their learners how Vyond can be used in conjunction with eLearning courses to create **compelling, interactive videos**

## Included in your course

On completion, you will be awarded a certificate from Omniplex Learning.

A specially crafted **online library of resources** including a training slides, best practice tips, videos and eLearning examples.

Access to the Omniplex Learning **Support Team** for any questions post-training.

Exclusive access to **networking and learning events** with the Omniplex Learning Training Team and fellow training delegates.
